THE PROOF

“Sceptical? People Are Raving About The Tri-Creaser.
Read What They’re Saying About This Amazing Device”

“The Tri-Creaser is simple to use with 100% quality. On average it saves us £30,000 per annum.”

Mr B Tucker, BRG Print Finishers

“The Tri-creaser is very easy to use, and the results are excellent. We’ve easily saved £3,000 in outwork. The real advantage to me is that I have control of the jobs in-house, and you can’t put a price on that!”

Mr D Biddiscombe, Printmates

“I’ve been in business for 20 years and I’ve never seen a product that is this easy to use with perfect results every time.”

Mr D Hall - Allied Mailing Inc, USA

“Since purchasing your Tri-creaser’s we have used them with great effect, so far saving £6,000 in cylinder costs, with the potential for an overall saving of over £25,000 per annum.”

Mr T McGrevey, Perivan Group Ltd

350 - 400gsm Example Crease

“I have had experience with Baum, O & M, AB Dick and Stahl folders - 34 years worth. I have used steel between steel; steel on rubber and wet score too, this little gem from England has been the best I have ever used.”

Ian Hayes - Kramer Printing, USA

“An excellent device. Creasing ourselves has allowed us to reduce production times and saved £1,000’s”

John Thomson, Newman Thomson Ltd

“The savings we made by not having to send out for scoring paid for our Tri-Creaser on the first job.”]

Bob Humphrys, Wessex Binding Services

“Since purchasing the tri-Creaser 3 months ago, we are now able to score and fold on one machine, saving time and money. In this short space of time it has paid for itself at least twice over. Certainly an excellent buy.”

Lisa Anthoney, RCS Ltd

250 - 300gsm Example Crease
